

It's Time to Actually Put the Person First

Person-first language

No, you're a person with autism spectrum disorder and blindness.

That's incorrect language.

I'm autistic and blind.

Um, no. I'm autistic and blind.

Person-centered language

What language do you use to describe yourself?

Cool. Should I use that language to describe you too?

Thanks! Will do!

I'm autistic and blind.

Yes please!

RADICAL
